Debi, I love salts that make me smile. Your #4 Sumida Gowa are just wonderful. To have all 4 is such a rarity. I'm a glass girl but these..... I'd grab in a heartbeat.

Thanks Lynda. I have thought about selling 2 or 3 of them, but could never decide which to keep. So I still have all four.

Strange porcelain salt with child holding a basket on his back. The basket seems to be crushing the child since he doesn't look happy. No idea of maker though the leaves look similar to elfin ware.
