There might not be a whole bunch of these but I'm counting on Mary to show off how many she has. Here's a neat blue and white dragon condiment set I have.

Lolololol, I wasn't ready for the month to end. I still had some salts in holders to post. Oh well. Going to be a dry month for me. I do not believe I have any fantasy animals. I have some real animals. I will enjoy seeing what everyone has.

Thank you for doing this one Debbie, I will be here with some really strange creatures.... Oh WOW. Okay, Okay I do some chores and then I can play. Dang, Not until this afternoon. I have a "grandson" graduating at 9:00 via computer, a friend coming at 10:30 and then a pot luck at noon.... If I survive all of this, I will be here later this afternoon and evening.... But then there is the weekend... Screw the taxes, I got an extension.....

Mary, That #32 is "STUNNING"! I "AGAIN" apologize that I don't post photos, but with a LOT of yard work to do, I just DON'T get around to setting up background, taking salt picture, and getting my camera card in the computer, and posting them! I'm lucky to get around to "checking posts"!

And Mary, I suggest another name for your crapperdoodles. They may be gargoyles.

Well Mary, you have closed June up very nicely. Your creatures are awesome. You have a Zoo. The monkies crap me up. I find the dragon: and the fish to be so elegant. Fun to see, thank you Mary.
