H&J Image

2-3/8" L x 1-9/16" W x 1" H

ROYAL NO. 18/2
National Glass Factory #18 after 1899

Known colors: Clear,
amber and blue

Note: Shown on a catalog page as made by Royal Glass while part of National Glass combine, but some on that page were originally made by other companies so it's possible this salt was too. (Some Greensburg molds were transferred to Royal #18.)
