H&J Image

2-3/4" D x 1-3/8" H, 1-3/8" SQ base

FOSTORIA #4020 Ind. Almond
Fostoria Glass 1931-34

Known colors: Clear, amber,
amethyst, (Wisteria), black (Ebony),
green, pink (Rose) and yellow
(Topaz); etched decoration

Note: Fostoria's Wisteria is a neo-
dymium color, meaning the color
can change from amethyst to blue
depending on the light source. Bot-
tom right picture are of a black and
clear that have been iridized and
signed "Crider". Same as H&J 775,
785 and 786.
