Open Salts – Jeffrey S. Evans Auction – October 20, 2012

Price realized include a 15% Buyer's Premium

With the exception of Lot# 1615 all of these are either from the collection of the late Dr. Leonell C. Strong Jr. of Norton, VA or the late Marjorie Hulsebus of Redlands, CA. In order that the provenance not be repeated for every entry, only the initials of LS or MH appear at the end of the descriptions. Many, if not most, of these are referenced in Open Salt Compendium. That was also eliminated from the descriptions to conserve space.
