

# H&J 903

H&J Image

2-1/4" D x 1-1/2" H

44-30 Moon and Stars

Sold by L. G. Wright c.1950s  
Weishar Glass after 1999

Note: Original pattern was PALACE by Adams in clear glass only. Weishar Island Mould & Machine Company originally made the mold for L. G. Wright in the 1940s. Weishar bought the mold from Wright in 1999 and produced the salt with their own mark. L. E. Smith also made a version of this but with a slightly bulging ring base and deeper crevice between the scallops. See H&J 870.

L. E. Smith on left, L. G. Wright on right.

Adams on left, L. E. Smith on right.

**Wright glass was made by Fenton, New Martinsville, Fostoria, Morgantown, Paden City and others.**
