H&J Image

Guernsey Glass Item Footed Salt Dip (Original Mold) (Mold acquired by Look in the Attic Co)

Reference: H&J 915

Size: 1 5/8" Dia, 7/8" High

Remarks: Also called Caprice Pattern. This was never made old. Many found have Guernsey B on inside of one foot.

Colors: Made in multiples of colors that would be almost impossible to identify as one tank could produce multiple variations of the slag colors in addition to standard colors. Many colors currently available.
